THINK THE FUTURE OF AUTOMOTIVE INDUSTRY

20 & 21 June 2018

Casino Barrière
Lille - Hauts-de-France

www.FealAutomotive.com

PARTICIPATE IN FEAL 2018, THE MEETING OF THE FUTURE AUTOMOTIVE INDUSTRY!

**ELECTRIFICATION
AUTONOMOUS AND INTUITIVE CARS,
NEW USES AND MOBILITIES,
GEOPOLITICAL CONFIGURATION...**

Go!

Our global companies are witnessing the **emergence of different tendencies** and, with them, it is necessary to reinvent a whole industry - addressing **new technological challenges** and creating **new partnership schemes** in an ecosystem that is more and more digitized.

By placing **innovation at the centre of its agenda** and by selecting high-profile speakers, who witnessed the current and upcoming events, FEAL2018 aims to become a **reference** in the field of European events linked to the **industry of the future**.

By promoting meetings in a state of mind that remains true to **the values of the automotive industry**, FEAL2018 is the place to go - and it involves the entire industry: **manufacturers, suppliers, startups, clusters, institutions, associations, research laboratories, academics, consultants...**

Opening of online registrations: 31 January 2018

WHY YOU CAN'T MISS IT!
